

The Orme Academy

Term Highlights

June - July 2022

Goodbye and good luck to our Year 11 students. We are extremely proud of you all and wish you the very best of luck for the future!

#proudtobeTOA

Final words from our fantastic Senior Prefects.

Annie & Bel, you have been amazing and will be missed by us all!

"Our time here at The Orme Academy has been amazing with many great experiences. We have loved each reward and opportunity that we were given, including scarefest, big bounce, movie afternoons and many more. We have learnt so many skills that we will always need thanks to our PSHE and enrichment lessons, but most of all we have made the best memories that we will forever cherish.

We are so sad to leave but can't wait to use the skills that we have developed here to help us in our future career choices. We wish all year groups an amazing time at The Orme Academy, and would like to let the new Year 7 students know that they will always be welcomed and will be safe and happy at the Academy. Our advice is to take every opportunity you get, no matter how big or small because as everyone will tell you, your time at school will fly by.

Lastly, we just wanted to thank all the teachers who made our journey here so special, we will never forget our time as part of The Orme Academy family."
