

The Orme Academy

Spring Term Highlights
Easter 2023

We had a great evening at the Stoke School Sport Partnership Dance Festival at the magnificent Victoria Hall. The Orme Academy Dance Company were absolutely amazing!! We are so proud of them all!
#proudtobeTOA #dance #enrichment #enjoyment @ShawEduTrust

At the end of every half term we celebrate the effort and progress of our students. Congratulations to all Y8 Bronze, Silver and Gold Award winners for displaying superb attitude towards your learning! 🏆
#proudtobeTOA #aspiration #challenge #enjoyment @ShawEduTrust

TAMC have been working hard during enrichment with their community clean up project. Well done and thank you! #proudtobeTOA #community #littercleanup #aspiration #enjoyment #empoweringlearnersforlife @ShawEduTrust

Empowering Learners for Life

Congratulations to our Year 11 Bronze, Silver and Gold Award winners! 🏆 We have so many diligent students working hard to prepare for their final examinations. Well done! #welldone #proudtobeTOA #aspiration #challenge #enjoyment #empoweringlearnersforlife @ShawEduTrust

"The leadership team is ambitious and determined."

Ofsted January 2023

Aspiration Challenge Enjoyment

It has been great to find out what our students have been doing over the break.

A special mention to one of our Y7 students who competed in the National Cross Country Championship 2023. A fantastic achievement - well done, we are really proud of you! [#proudtobeTOA](#) [@ShawEduTrust](#)

Our Year 8 Netball Team have finished the league with an amazing 21 - 1 win against Newcastle Academy. Well done Year 8 - what a fabulous team performance. [#proudtobeTOA](#) [#PE](#) [#netball](#) [#enrichment](#) [#empoweringlearnersforlife](#) [@ShawEduTrust](#)

Students are rewarded every half term during our celebration assemblies

8A2 are making storage boxes in technology. Great skills shown when using the disc sander and some fantastic designs. We can't wait to see the finish products. [#technology](#) [#aspiration](#) [#challenge](#) [#enjoyment](#) [#empoweringlearnersforlife](#) [@ShawEduTrust](#)

Extra-curricular Performing Arts students rehearsing for their next showcase. Year 9 have been given a taster of this option KS4 subject and performed a section from DNA in lesson. [#performingarts](#) [#careers](#) [#showcase](#) [#creative](#) [#drama](#) [#dance](#) [@ShawEduTrust](#)

Celebrating World Book Day in IT. Great bookmarks designed by our Year 7 students - well done! [#WorldBookDay23](#) [#literacy](#) [#reading](#) [#empoweringlearnersforlife](#) [@ShawEduTrust](#)

Congratulations to Maddie and Charlie in Y11 who were the first winners in our attendance draw. They each received a £25 voucher. There will be another chance for Y11 students to win in two weeks. Make sure you remember to get your cards completed! [#attendancematters](#) [@ShawEduTrust](#)

Y9 & 10 students have found out more about careers in engineering this week. Thank you to Liam from @TILG_UK for sharing details about the GE Engineering Experience this summer. Please apply now if you are interested and speak to Mrs Woolley if you have any queries.
@ShawEduTrust

Some of our Y7 students have been working with Richard from @Higher_Horizons completing the @waterwriters project. We have been really impressed with their effort and creativity and can not wait to read their book! #proudtobeTOA #aspiration #challenge #enjoyment @ShawEduTrust

An amazing experience for our Y10 GCSE PE students as we welcomed Premiership and UEFA referee Simon Bennett to our Academy. He spoke about his career journey and delivered a practical session on refereeing skills.

Thank you Simon for joining us! #careers @ShawEduTrust

👏 We are proud to announce that we have another cohort of published authors! Thank you to Richard and @Higher_Horizons for working with our students to publish their very own book and Kerri-Ann from Ironmarket Talent for delivering a creative writing careers session. @ShawEduTrust

🎵 Year 9 students enjoying the KS4 taster lessons to help them decide whether GCSE Music is a suitable pathway for them.
#KS4pathways #taster #careers #empoweringlearnersforlife @ShawEduTrust

✈️ Our Year 10 Travel and Tourism students have had a brilliant day at Fly Me today. They completed training activities from the aviation industry and received useful careers information from pilots and cabin crew. The students were fabulous throughout the day and completed all activities with enthusiasm. Well done!!

#proudtobeTOA #careers #travelandtourism #empoweringlearnersforlife Shaw Education Trust

We are proud to be part of the Staffordshire Careers Hub, working in partnership with The Careers and Enterprise Company and Antelope Recruitment to provide career related learning opportunities for our students.

THE CAREERS & ENTERPRISE COMPANY

Careers Education

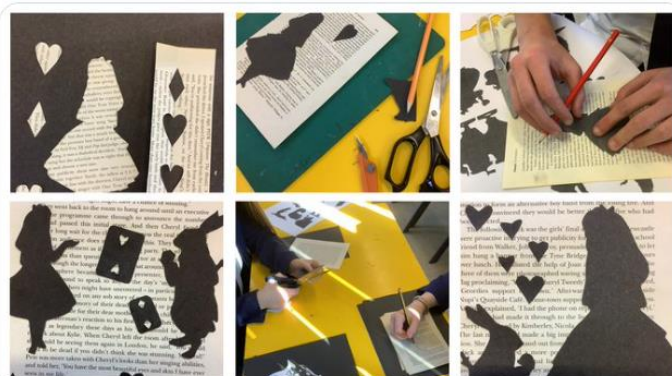

🌍📖 World book day celebrations in history. Great work Year 8 - well done! #proudtobeTOA #reading #empoweringlearnersforlife #aspiration #challenge #enjoyment @ShawEduTrust

Last night, TOA Dance Company performed at Crewe Gotta Dance. ★ Our students were praised for being the most polished performance and professional in the rehearsal. ★ We are extremely proud of them all! #dance @ShawEduTrust

Year 11 working in the style of the artist Su Blackwell, to create paper stencils inspired by famous stories. #WorldBookDay #aspiration #challenge #enjoyment #creativity #art #reading #empoweringlearnersforlife @ShawEduTrust

Year 7 have started their clay bottle ovens which are based on our local heritage. Watch this space to see how they develop. Great work Year 7! 🌞 #art #creativity #aspiration #challenge #enjoyment #empoweringlearnersforlife @ShawEduTrust

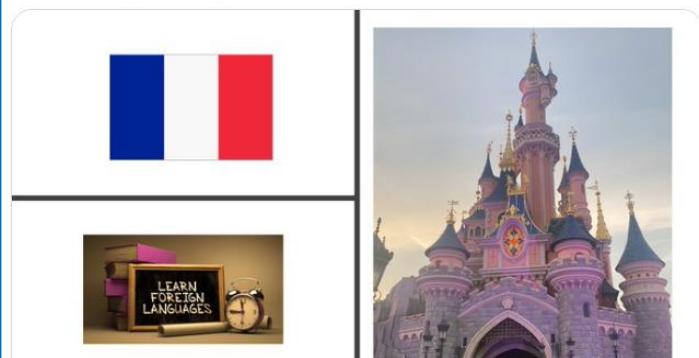

10G1 had great fun learning about the heart and carrying out a dissection during their science lesson this week. ❤️ #science #practical #dissection #aspiration #challenge #enjoyment #empoweringlearnersforlife @ShawEduTrust

Demonstrating gas pressure in science with 10M1. #science #practical #demonstration #aspiration #challenge #enjoyment #empoweringlearnersforlife @ShawEduTrust

It was lovely to hear that some of our ex-students have been putting their French skills into action during a recent college trip to France. Bekka and Abbie - what a fabulous picture, we hope that you had a great time! #alumni #empoweringlearnersforlife @ShawEduTrust

8LFI have produced some excellent film reviews as part of their British Sign Language enrichment class. Well done Year 8! 🌞 #signlanguage #proudtobeTOA #welldone #aspiration #challenge #enjoyment #empoweringlearnersforlife @ShawEduTrust

The theme for Science week was connections. In lessons students made gliders and tested them to see how far they could travel and tried sending messages using Morse code. They also made posters on a topic of their choice linked to the theme.

Well done Y8! # @ShawEduTrust

Congratulations to our Year 7/8 rugby team who made it to the semi-finals of the Newcastle Schools Rugby Tournament. Some excellent individual performances and more importantly, an overall great team effort! Well done - we are proud of you all! #proudtobeTOA @ShawEduTrust

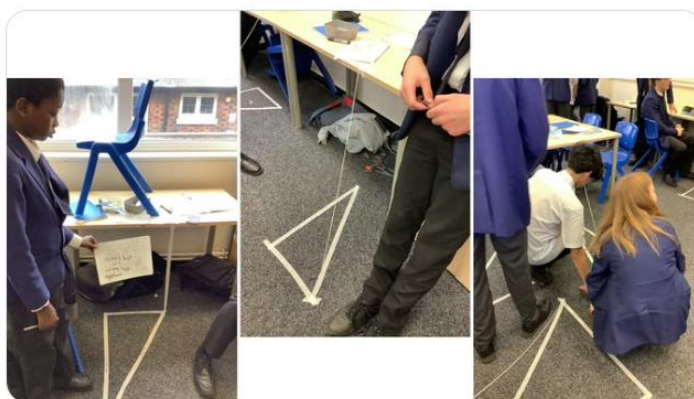

This year the theme for science week was connections. In lessons students made gliders and tested them to see how far they could travel and tried sending messages using Morse code. They also made posters on a topic of their choice linked to the theme. #winners @ShawEduTrust

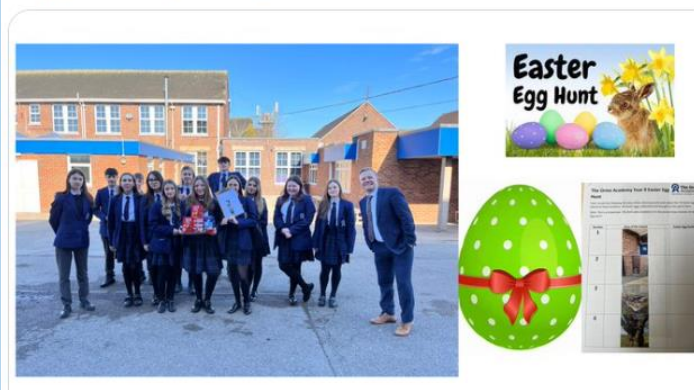

Congratulations to 7IGO who for their form assembly chose to raise awareness for the cost of living crisis. They challenged other forms to gather as many donations for the food bank as possible. Altogether, Y7 have collected over a hundred items for their community. @ShawEduTrust

Great work from 10M1 maths class as they completed some hands on activities using Pythagoras' Theorem in 3d shapes. #maths #creative #practical #aspiration #challenge #enjoyment @ShawEduTrust

The annual Year 9 Easter egg hunt has begun, with all forms taking part this week. 9ARA are currently in the lead with the students finding all of the hidden eggs within 8 minutes. Good luck to all of Year 9! #egg hunt #enjoyment #empoweringlearnersforlife @ShawEduTrust

Y8 are studying Natural Hazards in Geography. To review their learning, 8C1 and 8C2 created model volcanoes out of modelling clay. They then labelled their models with geographical features and the type of volcano. Great work Y8! #aspiration #challenge #enjoyment @ShawEduTrust
