

Dear future students, parents and carers,

I am delighted to introduce myself as your Year 7 form tutor for when you join The Orme Academy in September 2023. My name is Miss Bamber and I am one of the Science teachers.

I can imagine there are a lot of mixed feelings of both excitement and worry! As your form tutor it is my job to help you settle into academy life and see that you flourish in everything you do over the next 5 years.

I will be your port of call at The Orme Academy should you need any support in any area of your educational journey. I will be in contact with parents and carers about your achievements and the progress you are making. I want you to be proud in all you do while you are with us and feel empowered for life upon leaving The Orme Academy.

We have incredibly high standards here and it is my job to uphold these standards and to see you become the best version of yourself.

Enjoy the rest of your time in year 6 and your well earned summer! Can't wait to meet you all.

*Miss L Bamber*
