

Dear future students, parents and carers,

I am delighted to introduce myself as your Year 7 form tutor for when you join The Orme Academy in September 2023. My name is Ms Jackson-Hedges and I am one of the English teachers. Welcome to what will be the best form at The Orme Academy!

I can imagine that you may feel both excited and nervous to be starting at secondary school. This is completely normal, and as your form tutor, I will be here to ease any worries you have during your transition from primary school to The Orme Academy.

I have high standards and expectations about how students in my form should behave around the Academy, and expect you to be ready to learn, be respectful, demonstrate resilience when times get tough, and to always try your best. I am fully committed to supporting you during your time at the Academy, and will be frequently communicating with parents, carers and teachers about your progress. I want to ensure your time at The Orme Academy empowers you for life when you leave in 2028.

I hope you enjoy the rest of your time in Year 6; I look forward to meeting you in September to continue the next part of your learning journey and making lots of happy memories along the way!

Take care,

*Ms S Jackson-Hedges*
